

UV-MAX ECO

Mobile UV-C Disinfection System

Fast, Efficient, and Sustainable UV-C Surface Disinfection Where Hygiene Matters Most

Why Choose UV-MAX ECO?

▽ **High-Level Disinfection**

Inactivates 99.99% of bacteria and viruses on exposed surfaces

▽ **Chemical-Free & Water-Free**

No consumables, no dwell time, no mess

▽ **Maintenance-Free**

Long life, shatterproof lamps rated for 12,000-run hours

▽ **Industrial-Grade Design**

Rugged performance meets compact design—ideal for tough environments to small offices

▽ **Simple & Safe**

Preset push-button cycle timers, PIR heat/motion sensor, e-stop shut-off

The Energenics Advantage

50+ Years of Laundry Innovation

Technical Summary

UV-C Output	175 Watts
Wavelength	254 nm
Lamp Life	~12,000 run hrs
Power	120v, 6 amp
Dimensions	24"x24"x52"H
Weight	~110 lbs
Controls	UL/cUL
Safety	PIR & E-stop +
Efficacy	99.99%
Warranty	1-Year Std.
